# Potentate's Message

Lately I've been taking some good natured ribbing about the length of my Allah-Bi articles. It has been explained to me that sometimes less is more. These are the same Nobles who kid me that talking with me is a bit like trying to take a sip of water from a fire hose. Unfortunately my particular leadership style constantly borders on being a cheerleader. I believe too often leaders stand and talk about the foreboding future and mistakes of days gone by. They dwell on the past without raising their heads high enough to see the future. The truth is our future is bright. While other Shrine Centers across our great country are failing, we prosper. While others trip and fall we move forward with confidence. We are taking steps now to ensure Mizpah will be strong forever. We all should be excited and honored to be Mizpah Noble here and know. You are part of something great.

The greatest asset of Mizpah has always been the Nobility. I am always astonished as I watch Nobles get their hands dirty together. Hard work unites us. Hard work proves our commitment. As Shriners we understand that anything worth doing is worth doing well. On June 21<sup>st</sup> through June 23<sup>rd</sup> we have the chance to gather and do something well. Once again the Mizpah Shriners will host the Mizpah Charity Horse Show in Columbia City. Generations have gathered at the Mizpah Shrine Horse grounds to compete as well as entertain equestrian enthusiasts from around the country. By volunteering at this grand event you will guarantee that we can continue the long tradition of providing Northeast Indiana with a wholesome family tradition. As you know %100 of the net proceeds of go directly to the Shrine Hospitals for Children. By giving of yourself you give directly to the kids we support. No matter how much time you can give there is a job for you. Let me be perfectly clear. We need your help with this Temple fundraiser. If we all contribute a little we can achieve a lot.

Do you have children, grandchildren, nieces, or nephews? If you said, "YES," there is a fantastic event coming up for you. The Yoshi Club will be once again be hosting the annual children's fishing derby on Saturday June 22<sup>nd</sup>. The excitement will happen at Joe Simon's Pond, 2050 South Wolf Rd. in beautiful rural Columbia City. If you have never attended this fun event, you have missed out. What kid doesn't like to fish? Although fishing starts at 8am we will be going strong all morning. At noon prizes will be given out and lunch will be served. Hot dogs and hamburgers will be provided, but please bring a dish to share. This is a great opportunity for you to invite the family of and man who is interested in Masonry. We have a lot to offer. We should not be afraid to show our family and friends how they may benefit from joining us. After the fishing derby you can make the short journey to the Mizpah Horse Show Grounds to enjoy the annual Charity Horse Show. Sounds like a great day to be a Shriner.

The Imperial Session is finally here. Shriners from around the globe will gather in Indianapolis from June 30<sup>th</sup> through July 4<sup>th</sup>. All Nobles will have the chance to attend the closed sessions and watch how Shrine International works. Even in an organization as large as Shrine International, one man still equals one vote. From bylaw changes to hospital policy, it all is decided over these four days. The biggest event of the session will be the Imperial Parade on Monday July 1<sup>st</sup>. This is our chance to show the world that Mizpah does it better than anyone. I'm proud to be your Potentate and want to show off the Mizpah Nobles. Please visit [www.imperial2013.com](http://www.imperial2013.com) for a schedule of all events.

Your Humble Servant,  
Mike Hardiek

# Recorder's Message

We, as members of the Masonic fraternity, should always remember how we live, why we live, and for what. The thread of life should always be remembered. The thread is delicate, fragile and one must be careful how it is used. The thread is whatever you want it to be. Be careful how you use it because it belongs to you.

A man's word is his bond. You are the one that has control of it. If you ever lose it you will never get it back. Be careful when you say "on the square, for it is your word. We too often forget the words of wisdom.

We have the key that is hung by "the thread of life, which exists between our tongue and heart so we utter nothing the other does not truly dictate."

Last Night I Knelt Where Hiram Knelt

And took an obligation  
Today I'm closer to my God  
And I'm a Master Mason  
Tho heretofore by fellow men  
Seemed each one like the other  
Today I search each one apart  
I'm looking for "my brother"  
And as I feel his friendly grip  
It fills my heart with pride  
I know that while I'm on the square  
That he is on my side  
His footsteps on my errand go  
If I should so desire  
My words are safe within his breast  
As though within my own  
His hand forever at my back  
To help me safely Home  
Good counsel whispers in my ear  
And warns of any danger  
By square and compass  
Brother now!  
Who once would call me stranger  
I might have lived a moral life  
And risen to distinction  
Without my Brother's helping hand  
And Fellowship of Masons  
But God, who knows how hard it is  
To resist life's temptations  
Know why I knelt where Hiram knelt  
And took that obligation

## Bagpipers

I realize it has been a while since our last Bagpipe article, so I will try to bring you up to date.

Saint Patrick's Day weekend was a success. We played two clubs Friday night, two clubs Saturday and then repeated performances at the Tilted Kilt starting at 10 am and finishing at 10 pm. Somehow, we were even able to fit in a Nursing Home and a club on Sunday. It was a long weekend but we had GREAT participation. I glad to see new newest pipers playing those tunes that they knew. A big thank you goes out to Lonnie for setting up the club performances and Brian K for the continuous Tilted Kilt gig. Owen had us play the nursing home where his father had resided before he passed.

April has been a hard month for the pipes and drums. Billy has been battling kidney stones and even spent a stint in the hospital. Lonnie has been suffering off and on from bronchitis. Our Drum Major (Brian K) just injured his back on the job and we hope that he will be able to rejoin us soon. We did get a chance to have Donny back at practice and he is going to sponsor us for the Huntington Heritage Days parade in June.

The season for both the pipes and being a Mizpah Shriner are picking up. We just had the Onions delivered. We are playing at Mark's church in Columbia City in early May, have been asked to pipe in the Imperial Potentate at the Pote's Ball and have a wedding performance in early June.

Just a last note to bring you up to speed. Dennis Weimer (our new bass drummer) is coming along well on the drum. Brad is still very flashy on the tenor drum, but he has been practicing on his own so that he can transition to the snare drum. Mark and Bobby are learning more of the tunes and getting the timing down. Scott still amazes me with his drive and initiative. He has become proficient on a number of tunes and continues to do individual performances. He is even doing the Memorial Parade up in his area. Dick is still trying to get up to play musically and we sympathize with him.

Hope to see you all this summer!

Joe Jenckes, Director

## Flying Shriners

The April meeting was held on Wednesday evening, the 17<sup>th</sup>. There were 3 members present; Bob Harrold, Bob Coe, and Dale Dolby. Some of the snowbirds have returned and the remainder should be back in May.

We lost one of our members on April 12<sup>th</sup>. James W. Roth passed away. A memorial will be sent to the Shriners Hospitals for Children, in his name.

No other business was conducted.

"Honest Bob" Coe was wearing his version of a cowboy hat. Difference is; a cowboy hat has the stuff on the outside. Since he is President of the Horse Patrol, you would think he would have a real cowboy hat.

Euchre was played. We had to bribe Phil Hoopingartner to get him to play with us. It took 2 games for Phil to get the hang of how to compete with the "Honest Bob" Coe/Bob Harrold duo. Then Phil and myself took the next 2 games.

Reporting, Dale R Dolby

## Yoshi

Greetings Nobles,

Mizpah Shrine Charity Horse Show will be running the weekend of June 21, 22, and 23<sup>rd</sup>. We need members to offer their time to work at some point during this weekend. If you are able to help out please contact Rod Cottrell [r3cottrell@aol.com](mailto:r3cottrell@aol.com).

Children's fishing derby to be held at the home of Joe and Sally Simon again this year will be held Saturday June 22 beginning at 8am. Their home is located at 2050 S. Wolf Rd. in Columbia City, IN. Bring your fishing equipment and the kids for a great morning of fishing. Bait will be provided! Also we will be serving hotdogs and hamburgers at 12 noon. It is requested you bring a dish to pass. Refreshments will also be provided!

Our next meeting will be held at the Don Hall's Gashouse "On The Deck" June 17<sup>h</sup> at 6:30. Ladies are invited! If you plan to eat you will want to arrive early as the area around the bar that most members will be seated is an area where food is not served. If you arrive early you can eat in the dining area adjacent to the Bar and move over to the deck area afterward. Remember our meetings are open and you are welcome to bring a potential "new Shriner!" Hope to see you there!

Dave Bowman, Secretary/Treasurer

## Pokagon SC

I remember a phrase from the days of my youth, "He best builds lives of other men who start from within, so when the job is done the judge will say a Master Builder passed this way." If you were to slow down and look at yourself can you say that you are putting forth adequate effort to help the lives of others in our community and state?

As with the whole array of Masonic groups, we have the opportunity to be a positive influence of building the lives of other people. Shrine offers that opportunity. Look at the positive things that result after local children are assisted at the hospitals in Chicago and Cincinnati. That alone is worth your membership in Shrine. But don't just hold a membership; participate in the many activities that the Pokagon Shrine Club offers.

We continue to meet on the third Wednesday at the Angola Moose Lodge, with a meal at 6:30 PM, and meeting at 7:00 PM. The main meal course is a juicy steak off the grill.

Besides our stated meeting nights, our summer plans are the July 1 Imperial Parade; July 13 Three Rivers Parade; July 18 Pokagon Shrine Club Golf Outing (contact Mike Hagedwood to play or form a foursome at 316-1257); July 27 Orland Day Parade; and August 6 Ft. Wayne Tin Caps game. More events happen in the fall.

What a combination – fun/fellowship and helping our youth. NOW IS THE TIME. You have it within you to help build the lives of others. If you live in the Steuben County area please join us and participate. It does your heart good!

Paul Friend, President

## Iron Camels

We have a couple of events coming up to attend, open to everyone. Two dates, down in Marion, at Brandt's Harley Shop, July 13, Foghat at bike night. September 14, Confederate Railroad. By the time this prints, we will hopefully be on our way through south eastern Ohio to ride the Baby Dragon or Daniel Boone trail, near Hannibal. Anyone interested in the Bike night ride please call or e-mail, (260) 302-6632 or [dravesmobile@embarqmail.com](mailto:dravesmobile@embarqmail.com). This way we can all meet and ride down together. We also have some pricing on leather vests of \$10-15 each, still checking on patches or embroidering.

'till next time, Fred

## Clowns

Sorry I missed last month's article. It seems that I was still using the old submission email address and had not changed over to the new one. If you are reading this article, I have sent it to the right address.

Usually, Circus to the first mini-clinic is a time to relax and give the clown make up a rest. Well, the Circus just wasn't enough for these clowns!

Mr. Excitement (Sambo) has more ideas on how to make us famous than anyone I know. He wants to extend our area of renown to cover all of Mizpah. He and Putz have been working the idea of buttons with our pictures on them so that people will know who we are even in civvies. Putz and Laurie have worked with a friend of theirs and at the last meeting, Putz brought in some sample 3" buttons. These were so cool that the unit decided to get estimates of cost of quantities so that we could use group photo buttons as a fund raiser.

That dynamic duo (Fuzzy and Sambo) have been busy. They did the "Color the River Green" city St Patrick's Day celebration, participated with Klem and Lucky Lewey for the Yoshi Children's Party at Krazy Pins in March (Fuzzy's wife, Janice, helped by painting faces) and then did the mini-clinic in Marrion.

Although the Circus is over, the cast of the clown "Dentist" skit (Sambo, Gus, Inky-D, Fuzzy and Gilbert) are still excited. They now want to use it to compete at Imperial. With our idea man (Smirky) back from wintering in Texas, they plan to work to incorporate their lessons learned from the Circus performances to make it even better!

The clowns are excited about the coming year and have started looking for ways to "get the Mizpah Clowns out there for everyone to recognize". Between the Shrine sponsored events (four parades and five mini-clinics) and hopefully getting return gigs, it looks to be a busy summer.

Live Long, Be Happy, Bump a Nose!

Joe "Lucky Lewey" Jenckes

## Kosciusko SC

It is with great sorrow that we must report on the passing of Noble Charles Bertsch, longtime member and supporter of Mizpah Shrine and our club. Charley was not only a brother he was also a civic leader, mentor, and friend. He instilled in each of us how to act like a Mason and the value of giving back to the community in which we lived. He will be most remembered for his support to our club's circus program supplying the meals for the kids with no personal gain for himself or his business. Rest in peace my friend.

"Tip of the Fez" to Kos. County's own O.G. Hal Harting and his "chain gang crew" for another great onion season. Another "Tip of the Fez" to Noble Dan Hampton and Co-Chair Noble Don Smith and all the other Nobles for a very successful fish fry. A lot of carp was served that day. The secret is in the breeding.

What is next you asked? Well, Ladies Night is June 12th with guest speaker Bob Cotner from Shriner's Children Hospital. We will get back to you with a time and place. Our circus program's fund raiser is fair parking during the week of July 8th thru the 13th. Chairman Bill Beatty and Co-Chair Jay Shivley along with their Day Chairmen will need you help for just a few hours during that week. Let's show up and send a kid to the circus. Our local golf pro and legend, Jay Shivley and crew will host this county's club annual golf outing August 14th at the Rozella Ford Golf Course. Rumor has it that the golf course has enlarged their beverage cart fleet just for us.

So come on out, chase those white balls, enjoy a great meal and help out the Transportation Fund.

In closing remember what "The Judge" taught us, shake those bushes, find a good man, make him a Mason and turn him on to Shrine.

GrassHopper

## Horse Patrol

Get ready, the busy month of June has arrived full of events, the Pote's Mardi Gras Ball, Charity Horse Show June 21-23<sup>rd</sup> with all the last minute prep and a bridge to repair, and the start of Imperial in Indy. We will arrive on Sunday June 31st to get our horses settled in the barns at the fair grounds and enjoy The Barn Party & auction.

We're still not sure of how many horses from which Temples are arriving but we'll be ready, especially with the Horse Show the weekend prior. All is looking great just need to do a nice weather dance. If the Potentate's Ball is anything like the Ceremonial we are in for a great time. 15 New Members walked the Sands and 6 attended their first Temple meeting, looks like we have some active Nobles – Congratulations!

We welcome Bill Auer & Lady Laura to the Horse Patrol Unit. Most know Bill as on his big tractor with a bigger smile or his United Oil Truck. Just wait to see his smile and how good he looks on Gold with Silver, it's about time we have a few Power Club Members with all the horse guys now driving tractors, but we all have fun together.

At this writing our practice has started to get us ready for horse show and the big one Indy Imperial. We are all looking forward to that competition and have high hopes of doing well. The units that have been winning get to go nearly every year, so we want to show them Mizpah. If you would like to watch a practice it's Thursdays about 6 to 8. Bring your horse lovers, we may be able to get them too sit on a horse if time allows.

Happy Trails, Ray Giant

Another SUCCESSFUL year of selling Vidalia Onions - our 25th Anniversary!!!

And we could not have done it without everyone who came out to support this wonderful event.... so thank you!!

## Legion of Honor

It was proposed at a Directors meeting that if we do not raise enough money (\$1000.00) by donations for the refurbishing of our room at the new Temple that a one time assessment, not to exceed \$10.00, be added to the 2014 dues. In 2015 dues would return to \$25.00. Anyone *donating* to the "room fund" would be exempt from the assessment. We are also accepting donations for the tile program. The LOH tile will cost us \$600.00.

The Mizpah LOH presents an Americanism Award to an individual or group in the Mizpah area whose voluntary endeavors provide support for active military, veterans or their community. Nominations will be accepted from any Noble of Mizpah. Nominations should include the name, contact information and the reason for the nomination. The award nominations will be accepted from January 1st to September 1st and be presented at the annual LOH installation banquet in December.

The LOH feels it is important to recognize these individuals and groups for their patriotic and community endeavors which promote the traditions, interest and ideals essential to our American way of life.

Fraternally, Jim Olds

## Media Unit

The media unit exists for several reasons. First, we are the historical footprint of the temple in relation to photographs, media and technology. Secondly, we are here as a service unit to ALL nobility. Without your events or requests we have nothing to do! Long story short, put us to work! If you have an event that requires photography services, print media, website or public relations coverage, we want to help you! After all, if we don't know, we can't help.

For those who attended the ball and had pictures taken, thank you for supporting our yearly fundraiser. In the interest of transparency, that money goes directly into keeping the equipment running and up-to-date for club and unit needs.

We are still looking for a few people to help us. If you have experience with photography, video, audio and lighting and technology you are encouraged to contact me so we can get you involved. If you want to learn, there is enough room for you too! Trust me, you will have a great time, and you get to see the world of Mizpah through some special eyes! Contact me at webmaster@mizpahshrine.com or via phone at (260) 409-8144 for more information.

Fraternally, Ben Kapp

## Director Staff

Summer is upon us, and with the warmth comes the excitement and anticipation of our parade season. If you were not a part of the Friday night parade at the circus, you may not realize we have a giant flag to carry this year in all our parades. The first and most important parade we are going to be a part of is the Imperial Parade on July 1<sup>st</sup> in Indianapolis. After that, the Three Rivers Festival Parade is July 13<sup>th</sup>. This will be our last TRF parade in our old home, so we hope all of our family will come and sit on the lawn with our divan ladies and our other nobles families and enjoy the parade below the messenger. More details on both parades will be provided at the June meeting.

At the May meeting we passed out the tickets for the Liberty Safe that we will be raffling off at the Sportsman's Raffle on September 7<sup>th</sup>. It is important to get out and sell these tickets to ensure we at least meet the financial obligation we have already committed to, but also raise some extra funds for our unit. Thank you in advance to all those who have spent time working on this project, and to those of you selling!!!

We are moving! Yes, it is happening! If you want to know more about the progress, check out the Mizpah website and you will get all the details. Some debate has been happening as to what goes with us, and it is fair to say that in our space in our current home, only our ceremonial items and some artwork will make the move. Furniture, appliances and other oddities simply are too old or damaged to risk moving. We will work with the building committee to ensure our items of importance have a place in the home, as well as Mildred having a place to graze out back!

Thank you for all you do to support our divan, leadership and other temple nobles. The outpouring of your efforts does not go without notice by anyone. You make it easy for the leadership of the Director's Staff to do their small part to make the unit a success!

Fraternally, Ben Kapp  
VP/Secretary

## Giant Fez

The last two weeks of June will find the Whitley County Shrine Club up to their elbows in Elephant Ear dough. Your support and involvement during this time will be greatly appreciated by President Bob Boylan. The Columbia City July fireworks will be on Wednesday the 3<sup>rd</sup> at Morshes Park.

The Ladies Outing will be on Thursday, July 25<sup>th</sup>. The evening will begin with a 6 pm dinner in the Boathouse restaurant, located at Winnona Lake. We will then proceed to the Wagon Wheel Theater to see the play "The Wedding Singer." The cost for the evening is \$40.00 per couple or \$20.00 for a single. This includes a meal at the Boathouse, where you can order off the menu, and accordingly, tickets to the play. We have reserved 60 tickets, so please let us know as soon as possible if you plan on attending. You can call Ken at 260-244-3406 with your reservations. Last year we had one of the best attendances in years. This is a way to Honor those who do so much for us during the year: "Our Ladies". As a reminder, Ladies Night Out means we do not have a regular monthly meeting in July.

Upcoming Dates:

- Ø No monthly meeting in June
- Ø No monthly meeting in July

“The Hot Dog Cart”

The following is a parable that was shared with me by my grandfather and father some years ago. It is a piece of wisdom that I've never forgotten and think of it often as it pertains to our beloved Fraternity and life in general.

*There was a man who lived by the side of the road and sold hot dogs. He sold very good hot dogs. He put up signs along the highway and advertised in the newspaper telling how good they were. He stood on the side of the road and cried: “Buy a hot dog, mister?” And people bought. He increased his meat and bun orders. He bought a bigger stove to take care of his trade. He finally got his son home from college to help him out.*

*But then something happened. His son said, “Father, haven't you been listening to the radio and watching TV? There is a big depression. The foreign situation is terrible. The domestic situation is worse.”*

*Whereupon the father thought, “Well, my son's been to college, he listens to the radio and watches TV and he ought to know.” So the father cut down on his meat and bun orders, took down his signs and canceled his newspaper ads and no longer bothered to stand out on the highway to sell his hot dogs. And his hot dog sales fell almost overnight. “You're right, son,” the father said to the boy. “We certainly are in the middle of a great depression.”*

There are a thousand ways one could apply this to our Craft. I largely interpret this as “If I don't believe in myself and what I am selling, how can I ever hope to get my customers to believe in me and my product?” Have you ever been discouraged from selling “hot dogs” by someone that told you it couldn't be done? Some of the most amazing aspects of our Fraternity were a result of those that stayed out there and kept selling.

They believed.

Sincerely & Fraternally,  
J. Brian McNaughton, 33°  
Executive Secretary  
Fort Wayne Scottish Rite

## Be a Part Of Mizpah Shrine History - Tile Program

20 Years from now, will your family be able to find your name at the Shrine?

This might be the only chance in your lifetime that you will have a chance to make a mark in history. We are building a new Temple for the Mizpah Shrine and now is the time to step up and support the Mizpah Shrine. There are many opportunities to show your support for the new temple and this is one of those opportunities, not only to support the Shrine, but to leave your name, the name of your loved ones and/or the name of your company engraved on the walls on the new temple for generations to come. What could be a better joy than to have your son or daughter bring their children (your grandchildren) into the temple to see Santa and then go find their tile or the tile of their Grandfather upon the wall of the Shrine Temple?

How about a memorial for those that have made the Mizpah Shrine what it is today? Right now, it is simple to support the Shrine Building and remember those that have made it what it is today.

The question to ask yourself - If I walk into the current Temple, will anybody know that I have been here?

We need your help in building the new temple and this is one simple easy way to do it. This is the chance to make your mark in Shrine history.

Please share this with your friends and family, you are not trying to sell them something, but instead giving them an opportunity of a life time.

These will be beautiful tiles that will be etched with the names of families and companies that have supported the Mizpah Shrine in the year 2013. What could be a better gift for a birthday, anniversary or Christmas that a tile that will be on the wall of the new Temple for generations?

Questions – Scott Abbs, 317-432-0977 or [bricks@mizpahshrine.com](mailto:bricks@mizpahshrine.com). Sample tiles can be seen at the Temple.

**Tiles will be located on a wall inside the Temple**

<input type="checkbox"/>	Tiles

<input type="checkbox"/>	6" x 6" – 6 to 8 lines of lettering	\$ 475
<input type="checkbox"/>	6" x 6" – Color Logo or Art Work	\$ 600

**Please Check Box that applies.**

Donations Benefit Mizpah Temple Building Fund. Payments are not deductible as charitable contributions.

Businesses and families can select any of the above tiles - the size will depend on the number of lines/words needed.

Small Masonic or Shrine logo (only) can go on any of the tiles, Company logo or art work can only go on the 6 x 6 tiles.

Duplicate Logo Tiles can be ordered for your desk for only \$50.00 each.

Black Camel - April 2013

Remember me when I am gone away,
Gone far away into the silent land;
When you can go no more hold me by the hand,
Nor I half turn to go yet turning stay.
Remember me when no more day by day
You tell me of our future that you planned:
Only remember me; you understand
It will be late to counsel then or pray.
Yet if you should forget me for a while
And afterwards remember, do not grieve:
For if the darkness and corruption leave
A vestige of the thoughts that once I had,
Better by far you should forget and smile
Than that you should remember and be sad.

Ladies of the Household:

With summer fast approaching, most of us are thinking of vacations, time at the lake, picnics with family, fairs, parades and having fun in general. I know I am. However, we cannot forget our responsibility of helping the "Kids". In June we have the opportunity to serve ice cream at the Mizpah Shrine Horse Show.

Speaking of Parades... We will be in the Old Settler's Days Parade on June 29th. I would like as many ladies as possible to join me. This will be a great way to attract potential members.

The Supreme Session in Grapevine, TX is nearly upon us and I wish everyone could attend the "100 Years of Nile Texas Style" celebration. I would ask that you keep the officers and delegates in your thoughts during this week of elections, business sessions and fun that we may make the right decisions for the betterment of our order.

Remember we are nothing without Faith, Hope, Charity, Trust and Harmony.

Sparkles of Nile Love, Karen Rothgeb, Queen
